

Playa Nicuesa Rainforest Lodge

Retreat & Workshop Organizers

Workshops can help inspire spirit, health, creativity, and harmony. The feel of the venue is just as important to the success of the event as are the skills of the instructor. **Playa Nicuesa offers a blend of an eco-friendly environment, tranquility and relaxation that creates the perfect workshop environment.**

How will your workshop students feel about receiving an invitation for a retreat to a unique and exotic corner of the world? Imagine an **absolutely relaxing and private environment for your workshop, providing the right opportunity for inner and outer exploration.** Workshops which are surrounded by the sounds of toucans, monkeys, and vibrant wildlife in the lush rainforest, along with the soft lull of the ocean's waves, will bring you to a state of serenity and total relaxation.

Playa Nicuesa Rainforest Lodge, situated on 165 acres of private topical coastal preserve, can be rented in two forms for your convenience:

-  **Exclusive Rental** for 15 or more guests, with lodge closed to other visitors.
-  **Small Group Rental** for 6 to 14 guests, with lodge open for other guests to stay at the lodge independently during your rental period.
